

## Good To Go! Electronic Toll Collection System and Toll Plaza for the New Tacoma Narrows Bridge

*Good To Go!* makes it fast and easy to travel the new span of the Tacoma Narrows Bridge. If you are a *Good To Go!* customer, remain in the *Good To Go!* express lanes ① and drive through without stopping. The overhead antenna ② links to your *Good To Go!* account information and automatically debits the correct toll from your prepaid account. Violators who use the express lanes without paying will be fined—a camera ③ takes a picture of the license plate and a citation is mailed. Cash Customer – If you decide to pay your tolls with cash, you must use the “Cash Only” lanes ④ and stop at the toll plaza. You can pay cash tolls to one of our friendly toll attendants ⑤. When you see the green light in your toll lane ⑥, you may proceed.
